MOST POPULAR

GENNY+

Residential

Perfect for homes, home offices, and small businesses. Compact, elegant, and easy to use, this atmospheric water generator is powered by Watergen GENius™ technology.

Key Benefits

- ✓Generates up to 5.3 gallons of water per day from the air
- ✓Multi-stage filtration with UV purification
- ✓Hot, cold, and room-temperature water on demand
- ✓No plumbing required — plug-and-play installation
- ✓Compact design fits easily into any room
- ✓Low-noise operation — quieter than a typical refrigerator

Ideal For

- Homes (2–6 people)
- Small offices and home workspaces
- Medical clinics and boutique businesses
- Studios, break rooms, and reception areas
